Official Notice

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the **Road Running Technical Council**. If any changes are made to the course which results in a course that is less than the stated distance, this certification becomes void, and the course must then be re-certified.

Validation of Course

In the event a **National Open Record** is set on this course, or at the discretion of **Athletics Canada**, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

 Certification Expires Dec 31/2033

- Notes:**
1. The route is on the Seawall Paths. This consists of bike and foot paths in parallel. When the bike and foot paths are together runners can use either path, when separated runners must be restricted to the pedestrian, water side, path.
 2. From Second Beach to before the Causway underpass runners use the path on the south side and transition to the north side to go under the Causway underpass.
 3. Half Marathon is two loops, see start/finish detail.
 4. 10km is one loop.
 5. Measured by Paul Adams, WA Grade A Measurer and Mitch Hudson.
